‘Come and Ask the Maus!’

Celebrity daredevils, extreme challenges, mind-boggling puzzles and heaps of fun for the whole family. When everyday mysteries turn into fascinating experiments putting the whole audience in awe, it's time to ‚Come and ask the Maus!’. Two teams of three celebrities compete against each other for their favourite charity. Each team is assisted by a block of the studio audience. Games include knowledge and estimation questions as well as thrilling action games, all based on questions sent in by young ‚Maus’-fans. Additionally, the audience gets to marvel at exciting outside experiments, a musical guest and ‚child heroes’, who each have a very special ability. And of course ‚The Maus’, beloved expert in answering even the most complex questions in the most comprehensible way, comes along for the ride. On air since 2006 and presented by fan favourite ‚The Maus’, this primetime family entertainment show regularly scores over 3 million viewers.
